gold leaf church signs

our church signs are manufactured to the highest quality using premium materials and traditional techniques to create a professional and welcoming range of signage to suit your church.

Clonroot Gospel Hall - V carved panel sign

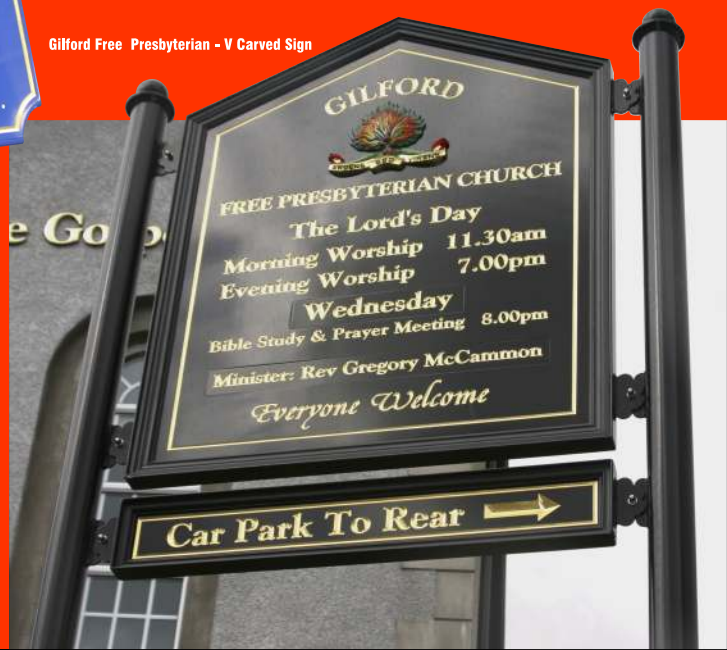

V carved removable panel

v carved with 3D burning bush

our bespoke signs are v carved and infilled by hand with gilded 22 1/4 carat real gold leaf. using our inhouse steel fabrication department posts and frames for signage are constructed. steel is then galvanised and powder coated black. a hand painted 3d burning bush can then be applied and sign is finished off with a profile surround to frame the sign panel.
